Drywall & Ceiling Tile Installers

$57,880

Mean National Wage

Drywall installers and ceiling tile installers hang wallboard and install ceiling tile of interior rooms in buildings. As a drywall and ceiling tile installer, you will fit and fasten wallboard or drywall into position on wood or metal frameworks, using glue, nails, or screws. Dry wall installers carefully read blueprints to determine methods of installation, work procedures and material or tool requirements. If learning about measurements, structure support and how to help bring design plans to life fascinates you, then this may be a career for you.

Find your home with a career in the home building industry and help others achieve the dream of owning a home.
