

INNOVATIVE SAFETY PROGRAM/ IDEA OF THE YEAR APPLICATION

Applicants for this award category consist of NAHB members who have initiated an idea, product, service, or program that has contributed towards advancing safety in the home building industry.

The application will guide the preparation of a written description (qualitative description) of your safety program. Please include information about your orientation program, training program, recognition program, and innovative practices.

Be creative. This is your opportunity to demonstrate that "special something" that sets you apart from the others - your core competency in safety.

Please complete the form below.

Note: We must be able to distinguish between the Nominee and the Applicant. If you are nominating someone else, then please enter their information under the Nominee section and your information under the Applicant section. If you are nominating yourself, then you're required to enter your information in the Nominee section only. Thank you for your attention to this matter.
