

Celebrate Careers in Construction Month 2026

October is the time to celebrate our industry, inspire the next generation, and spotlight your members. Here's how you can make an impact:

October 1–2: Kickoff with a Bio Share

Let's put a face to our industry and inspire others!

Encourage your members to celebrate themselves with a social post.

Use hashtags: #CICM2026 | #CareersInConstruction

TAG: @NAHB and @NAHBstudents

October 5–9: Engage with Boys & Girls Clubs

Build career awareness early.

Contact your local Club to explore career day events or hands-on demos.

TIP: Ask your members if they already have a connection.

Boys & Girls Clubs

October 12–16: Student Chapter Engagement

Support the pipeline by:

- Inviting student members to an HBA meeting
- Offering a jobsite tour or guest speaker
- Asking how you can help with IBS Student Competition prep

Careers in
Construction

October 19–23: Young Professionals Week + CIC Day

Engage your Young Professionals!

Engage, connect and grow with other young pros across the country.

This week focuses on:

- Mentoring
- Community involvement
- Professional development

YP Week
Programming

October 22: Careers in Construction Day

Host or join a community build or outreach project!

IDEAS: Build garden beds, benches, or read The House That She Built at a local school or library.

October 26–30: Celebrate Your Team

Spotlight your crew.

Encourage member companies to share shoutouts, photos, and testimonials honoring their hardworking teams.

USE HASHTAGS: #CICM2026 and tag @NAHB and @NAHBstudents
