

Hey Students! October is Careers in Construction Month!

It's your time to shine, get involved, and show the world what the future of construction looks like.

October 1–2: Kickoff with a Bio Share

Celebrate yourself!

Post your construction interests, career goals, or a favorite class or build project. Let others see your journey and what inspires you.

Use hashtags: #CICM2026 | #CareersInConstruction

Tag: @NAHB and @NAHBstudents

October 5–9: Engage with Boys & Girls Clubs

Reach out or volunteer with your local Boys & Girls Club!

Work with your faculty advisor or HBA partners to plan a workshop, activity, or info session that introduces younger students to careers in construction.

Boys & Girls Clubs

October 12–16: Student Chapter Engagement

Hold a chapter meeting or club activity and share your updates with NAHB!

TAG @NAHB or email us at sweber@nahb.org to be featured in a blog post and national newsletter.

NAHBTV

October 19–23: Young Professionals Week + CIC Day

Build your network and skills!

Participate in:

- Mentoring sessions
- Community service
- Career-building workshops

YP Week
Programming

October 22: Careers in Construction Day

Organize or join a service project with your chapter or HBA!

Ideas:

- Build bat/bird houses, benches, or picnic tables
- Help a local school, park, or nonprofit with small repair projects
- Read The House That She Built at a local elementary school

October 26–30: Celebrate Your Summer Experience

Did you have a summer internship or job in construction?

Share a post that highlights something memorable you learned or built!

USE #CICM2026 and tag @NAHB and @NAHBstudents

Careers in
Construction

Let's celebrate your
growth and journey
to becoming an
industry leader!
