

# Hey Students! October is Careers in Construction Month!

It's your time to shine, get involved, and show the world what the future of construction looks like.

## October 1–3: Kickoff with a Bio Share

### Celebrate yourself!

Post your construction interests, career goals, or a favorite class or build project. Let others see your journey and what inspires you.

Use hashtags: #CICM2025 | #CareersInConstruction

Tag: @NAHB and @NAHBstudents

## October 6–10: Engage with Boys & Girls Clubs

### Reach out or volunteer with your local Boys & Girls Club!

Work with your faculty advisor or HBA partners to plan a workshop, activity, or info session that introduces younger students to careers in construction.

## October 13–17: Student Chapter Engagement

### Hold a chapter meeting or club activity and share your updates with NAHB!

TAG @NAHB or email us at sweber@nahb.org to be featured in a blog post and national newsletter.

## October 20–24: Young Professionals Week + CIC Day

### Build your network and skills!

Participate in:

- Mentoring sessions
- Community service
- Career-building workshops

## October 23: Careers in Construction Day

### Organize or join a service project with your chapter or HBA!

Ideas:

- Build bat houses, benches, or picnic tables
- Help a local school, park, or nonprofit with small repair projects
- Read The House That She Built at a local elementary school

## October 27–31: Celebrate Your Summer Experience

### Did you have a summer internship or job in construction?

Share a post that highlights something memorable you learned or built!

USE #CICM2025 and tag @NAHB and @NAHBstudents
