**2% Statement Discount: Can't be combined with any other statement discount. A business/company can only be affiliated with one association/group and registration for the above association supersedes all previous declarations regarding affiliation with another association/group. To be eligible for the 2% discount, you must have a valid National Association membership and a Lowe's Commercial Account (LCA) or Lowe's Business Advantage (LBA) and comply with all terms and conditions of your LCA or LBA account agreement. Discount will not take effect until Synchrony has processed your registration, which can take up to two weeks. Afterward, please allow one to two complete billing cycles for your registration to be processed and for your discount to appear on your billing statement. For LCA accounts, the discount appears on your page one "Account balance summary" under the category "Unapplied payments and adjustments." If you have an LBA account, your statement credit appears at the end of the Transactions Summary labeled "Promotional Credit for using your card." The amount of the discount will be automatically deducted from the total balance on your invoice at billing. The 2% discount is applied on a pre-sales tax basis. The discount is tied to your membership with the applicable National Association. Any change in your National Association membership, or your National Association's relationship with Lowe's, may result in your discount being discontinued. The amount of the discount will be reversed for merchandise returns. Your LCA or LBA account must remain open, be in good standing and not become delinquent at the time the statement credit is applied. Excludes Lowe's Advantage Card, Lowe's Visa® accounts, Lowe's Business Rewards Card from American Express and all Lowe's Canada Credit products.
