

Builder Scorecard

This scorecard is a self-assessment, meant to encourage builders to “do business with a member”.

Please take a moment to fill out the scorecard. Filling in names and phone numbers of non-members is optional, as is turning the scorecard back into your local association.

If you are doing business with non-members we encourage you to ask them to join the association and take advantage of all that membership has to offer.

Builder Scorecard: Do business with a member
