

NAHB Remodelers

NAHB Remodeler of the Year

Judging Criteria and Points Allocation

The NAHB Remodeler of the Year award recognizes superior business management, exemplary NAHB involvement at all levels and outstanding contributions to the remodeling industry.

The NAHB Remodeler of the Year is reviewed by a panel of seven judges comprised of national NAHB Remodelers subcommittee leaders (4), the NAHB Remodelers immediate past chair, a representative from the sponsor and the immediate past recipient. Judges will disqualify themselves if a member of their own council is an applicant. If any judge(s) has to be disqualified, the next most recent past Remodeler of the Year recipient(s) will be invited to participate.
