Legal:

For purposes of this special competition, each Builder Member or Associate Member - or Affiliate Member of a Builder Member or Associate Member of record -- will, as of September 1, 2023, compete against Eligible Competing Members in the same affiliated-organization membership size category. Eligible Competing Members of record with multiple affiliated organization memberships will be placed in the largest category of affiliated organizations for which they recruit. However, an Eligible Competing Member will be given credit for all new Members he or she recruits during the Fall membership drive period, irrespective of the affiliated organization(s) the recruited member belongs to. Affiliated organizations will be placed into membership size categories based on the membership numbers submitted to NAHB by August 31, 2023.

NAHB will prepare an interim report displaying a list of the qualifying new memberships recruited by Eligible Competing Members. The interim report will be provided to Eligible Competing Members upon written request.

New membership recruitment will be credited to an Eligible Competing Member only if achieved by personal efforts, via mailings, telephone calls, electronic media, face-to-face meetings, or other similar contacts. NAHB reserves the right to verify such contacts by appropriate means, including communicating with the recruited new members, memberships not achieved by or through the Eligible Competing Member's personal efforts will not be included. NAHB will determine three (3) Winners in each affiliated-organization category (each hereafter referred to as a "Winner"). The Winners will comprise of: Top two Builder Members and top Associate Member (or Affiliate Members thereof).

In the event that two (2) or more Eligible Competing Members in the same affiliated-organization category have recruited the same number of qualifying memberships as of November 30, 2023, the Eligible Competing Members will be ranked on the basis of the total number of new Members recruited during the Fall membership drive by all Builder Members and Associate Members in the affiliated organization in which the Eligible Competing Member has been placed for purposes of this competition. The top two highest-ranked Eligible Competing Builder Members and the one highest-ranked Eligible Competing Associate Member (or Affiliate Members thereof) will be determined to be the Winners, respectively. NAHB's records shall be deemed accurate and dispositive. Any determination made by NAHB shall be final and shall not be subject to challenge or appeal.

NAHB shall notify the Winners in each affiliated-organization category after the determinations and may require the Winners to execute a declaration of eligibility and release. If a declaration of eligibility and release is requested from any Winner, he or she must return the signed declaration within 30 days or the Prize may be forfeited and another winner will be selected. The Winners will be required to remain Members in good standing with dues fully paid at all times from and after NAHB's determination through the acceptance of the Prize(s). If at any time a Winner fails to comply with this requirement or does not satisfy the eligibility requirements, then such Winner will be deemed ineligible and an alternate Winner will be determined.

As the official NAHB membership sponsor, Signature Kitchen Suite will award the Prize to the Eligible Competing Members who are determined to be the Winners in each of the three (3) affiliated-organization membership size categories (one winner and two runners-up in each category).

The Prize is non-transferable and cannot be substituted. Taxes, insurance and other fees associated with the Prize are the sole responsibility of the Winner of the Prize. By participating in the competition, each Member or other competitor agrees that NAHB, Signature Kitchen Suite and NAHB's and Signature Kitchen Suite's representatives, agencies, affiliates,

subsidiaries, directors, officers, and employees shall have no liability for any injuries, losses, or damages of any kind caused by the Prize or resulting from the acceptance, possession or use of the Prize. By participating in the competition, each Member or other competitor agrees to and accepts these rules and the determinations and decisions of NAHB and Signature Kitchen Suite as final. Without limiting the foregoing, determinations of compliance with NAHB's Bylaws and whether an affiliated organization is "current" in its reporting and payment obligations shall be made by NAHB's Third Vice Chairman and the NAHB Secretary in their joint discretion. In the event of a dispute, NAHB's records shall be deemed accurate and dispositive. Any decision made by NAHB shall be final and shall not be subject to challenge or appeal. Except as limited by law, acceptance of the Prize shall constitute the Winner's consent to the use of his or her name and/or likeness for advertising or promotional purposes with additional compensation. If applicable, LG will provide an IRS Form 1099-MISC to the Winners.

The estimated value of the Prize is \$3000 for two (2) people, and \$2000 for one (1) person.

If a Winner is unable to attend on the dates specified in the Prize notification, then the Prize will be considered forfeited. Signature Kitchen Suite reserves the right to choose an alternate Winner if a Prize is considered forfeited.

These rules are subject to change at NAHB's discretion.
