Spike Club Q & A

What are the benefits of becoming a Spike?

The real benefits are intangible: You are recognized for your contributions to the association and regarded as an accomplished and connected member. Additionally, Spikes receive:

- A coveted invitation to the biggest party of the year, the Spike Party at the International Builders' Show®
- Increased visibility, recognition and networking opportunities at industry events
- Unique and valuable lapel pins for each level of achievement
- Additional VIP treatment throughout the year

* Eligibility postcards are sent only to eligible Spikes who have at least six credits and one new member recruitment credit between Nov. 1 of the previous year and Oct. 31 of the current year. For example, if a Spike who otherwise meets the attendance criteria recruits a new member in December 2012, this will satisfy the new member recruitment criteria and s/he will be eligible to attend the 2014 Spike Party.

As always, the recruitment credit may be composed of one full credit received when a new Builder or Associate member is recruited or two ½ credits received when Affiliate or Council members are recruited.

How do I become a Spike?

Before becoming a Spike, you are a Spike candidate. That means you have earned between one and five and a half credits. Once you earn your sixth credit, you become an official NAHB Spike! Spike credits are earned by recruiting and retaining NAHB and Council members.

How do I earn Spike credits?

Spikes earn one credit for each new Builder or Associate member they sponsor. When that member renews after his or her first year of membership, the sponsoring member automatically gets one renewal credit. Every year the member renews thereafter, the sponsoring member will receive a ½ renewal credit.

Spikes receive a ½ credit for recruitment and a ½ credit for the renewal of Affiliate members.

Will I earn Spike credits for recruiting and retaining members into a Council?

Yes, when a new Council membership is activated the recruiter earns a ½ credit, and when that member renews his or her council membership, the sponsor earns ½ retention credit for each renewal.
