

Experience 5G business internet starting at

\$50 /mo. with
AutoPay

Device appearance may vary

Not available in all areas; customers ineligible for 5G Business Internet may be eligible for 4G LTE Business Internet or other fixed wireless options. During congestion, Business Internet customers may notice speeds lower than other customers due to data prioritization. Plus taxes and fees.

Break free from the hassles of traditional internet.

Small businesses everywhere are tired of being tied down by the hassles of traditional internet. It's time to break free with T-Mobile for Business—no long-term commitments and set up is easy. Just plug in and go.

Plus taxes & fees for accounts currently paying for a T-Mobile wireless line with additional taxes & fees: Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) apply; taxes/fees approx. 3–12% of bill. Credit approval required. For use only with T-Mobile Gateway for in-home use at location provided at activation. If canceling service, return gateway or pay up to \$370. **Video** streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **Price Lock** guarantees your regular monthly rate for your current qualified business internet service plan (excludes taxes/fees, limited-time promotions, per-use charges, third-party services, devices and network management practices). **Test Drive:** Cancel within 15 days of Business Internet service activation. Limited-time offer; subject to change. Qualifying new Business Internet line and timely gateway return required. Refund via one-time bill credit. Max 1/account. May not be combinable with some offers or discounts. **ETF Reimbursement:** Limited time offer; subject to change. Qualifying credit and new Business Internet service required. Eligible Internet Service Provider Early Termination Fee, up to \$500, paid via virtual prepaid MasterCard® Card (**expires in 6 months**) typically within 8 weeks. Submit proof of ETF & 90+ days in good standing w/ ISP within 60 days of new Business Internet service activation and be active and in good standing when processed. **We might ask for more information.** One offer per eligible address; max 5/account. T-Mobile Virtual Prepaid MasterCard Card is a rebate for the new service; for any tax implications, consult a tax advisor. Cards issued by Sunrise Banks N.A., Member FDIC, pursuant to a license from Mastercard International Incorporated. Mastercard is a registered trademark of Mastercard International Incorporated. Some limitations for virtual cards. Cards will not have cash access and can be used everywhere MasterCard debit cards are accepted. Use of this card constitutes acceptance of the terms and conditions stated in the Cardholder Agreement. **Business Internet General Terms:** Credit approval required. For use only with T-Mobile Gateway at location provided at activation on unlimited plans. If canceling service, return gateway (when included) or pay up to \$750. Video streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. Not compatible with some live TV streaming services. **AutoPay Pricing** for lines 1–8 on account. Without AutoPay, \$5 more. May not be reflected on 1st bill. **Security and productivity filtering** blocks select content. See Sales Rep or T-Mobile.com/filtering for content filtering options and details. **Coverage** not available in some areas; capable device required for 5G. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users. See T-Mobile.com/OpenInternet for details. See **Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
