

Try our network for FREE

Get your
Network Pass today

At T-Mobile, we're taking the worry out of switching by letting your whole team try our data network FREE for 3 months, and experience America's largest and fastest 5G network.

Experience more 5G bars in more places

Our network has 4X the 5G coverage of Verizon.

Absolutely worry-free

Keep your carrier, phone, and your numbers. You'll access T-Mobile's data network through an app to use for free.

Download the T-Mobile app to get your Network Pass or contact your GPO Team

See the advantage for yourself

A customized report shows how we stack up against Verizon and AT&T.

You can try it NOW

Download the T-Mobile app to get started without switching.

Network Pass for eligible users not already on the T-Mobile network; 1 trial per user. Compatible unlocked device req'd. Limited-time offer; subject to change. 5G device req'd to access 5G network. Data available for 3 monthly cycles for approximately 90 days. During congestion, customers on this plan using >50GB/mo. may notice reduced speeds until next monthly cycle due to data prioritization. Video typically streams on smartphone/tablet in SD quality. Tethering not available. Not for international use. Active non-T-Mobile service required; your carrier's terms also apply. You may need to upgrade when you switch to get full coverage. Coverage not available in some areas. See Network Management Policies and Terms and Conditions (including arbitration provision) at T-Mobile.com for additional information. T-Mobile has America's largest 5G network. Capable device required. Some uses may require certain plan or feature; see T-Mobile.com. Fastest 5G: Based on median, overall combined 5G speeds according to analysis by Ookla® of Speedtest Intelligence® data 5G download speeds for Q2 2022.
