

BENEFIT TERMS

The following benefits and services are subject to change or cancellation.

\$200 Airline Fee Credit

Benefit is available to Business Platinum Card® Members only. To receive statement credits of up to \$200 per calendar year toward incidental air travel fees, Card Member must select one qualifying airline at www.americanexpress.com/airlinechoice. Only the Basic Card Member or Authorized Account Manager(s) on the Card Account can select the qualifying airline. Card Members who have not chosen a qualifying airline will be able to do so at any time. Card Members who have already selected a qualifying airline will be able to change their choice one time each year in January at www.americanexpress.com/airlinechoice or by calling the number on the back of the Card. Card Members who do not change

their airline selection will remain with their current airline. The qualifying airline Business Platinum Card Members select for this \$200 benefit and the 35% Airline Bonus must be the same. Statement Credits: Incidental air travel fees must be charged to the Card Member on the eligible Card Account for the benefit to apply. Incidental air travel fees charged by both the Basic and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is eligible for up to a total of \$200 per calendar year in statement credits across all Cards on the Account. Incidental air travel fees must be separate charges from airline ticket charges. Fees not charged by the Card Member's airline of choice (e.g. wireless internet and fees incurred with airline alliance partners) do not qualify for statement credits. Incidental air travel fees charged prior to selection of a qualifying airline are not eligible for statement credits. Airline tickets, upgrades, mileage points purchases, mileage points transfer fees, gift cards, duty free purchases, and award tickets are not deemed to be incidental fees. The airline must submit the charge under the appropriate merchant code, industry code, or required service or product identifier for the charge to be recognized as an incidental air travel fee. Please allow 2-4 weeks after the qualifying incidental air travel fee is charged to your Card Account for statement credit(s) to be posted to the Account. We rely on airlines to submit the correct information on airline transactions, so please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Card Members remain responsible for timely payment of all charges. To be eligible for this benefit, Card Account(s) must be not canceled and not past due at the time of statement credit fulfillment. If a charge for any incidental air travel fee is included in a Pay Over Time feature balance on your Card Account (for example, Sign & Travel), the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information about this benefit, call the number on the back of your Card.

\$189 CLEAR Credit

You can earn up to \$189 in statement credits per calendar year when you use your Business Platinum Card to pay for your annual CLEAR membership. Enrollment in CLEAR is required. CLEAR memberships automatically renew each year unless canceled and CLEAR will charge the applicable membership fee to the Card CLEAR has on file. American Express has no control over the application and/or approval process for CLEAR, and does not have access to any information provided to CLEAR by the Card Member or by CLEAR to the Card Member. American Express has no liability regarding the CLEAR program. If a Card Member's application is not approved by CLEAR, CLEAR will refund the charges. If the statement credit benefit has been applied before CLEAR refunds the charges, that statement credit will be reversed. Purchases by both the Basic Card Member and any Additional Card Members on the Card Account are eligible for statement credits. However, the total amount of statement credits for eligible purchases will not exceed \$189 on the Card Account per calendar year. For additional information on the CLEAR program, including information regarding membership, eligibility, and for a list of participating locations, as well as the full terms and conditions of the program, please go to www.clearme.com. The CLEAR program is subject to change, and American Express has no control over those changes. Please allow up to 2-4 weeks after a qualifying CLEAR transaction is charged to your Card Account for the statement credit to be posted to the Account. American Express relies on accurate transaction data to identify eligible CLEAR purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 4 weeks, please call the number on the back of your Card. Card Members remain responsible for timely

payment of all CLEAR charges. To be eligible for this benefit, your Card account must not be cancelled or past due at the time of statement credit fulfillment. If a charge for an eligible purchase is included in a Pay Over Time feature balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

35% Airline Bonus Disclosure

Only the Basic Card Member or Authorized Account Manager(s) on the Card Account can select the qualifying airline. Card Members who have already selected a qualifying airline will be able to change their choice one time each year in January at <https://global.americanexpress.com/card-benefits/enroll/airline-fee-credit/business-platinum> or by calling the number on the back of your Card. Card Members who do not change their airline selection will remain with their current airline.

If you select Spirit Airlines, Southwest Airlines, or Frontier Airlines to receive your 35% Airline Bonus you must call Business Platinum Travel Service at 1-800-553-9497. A flight booked as part of a travel package or booked with the American Express U.S. Representative Travel Network is not eligible for the 35% Airline Bonus. In addition, to be eligible to receive extra points, Card account(s) must not be cancelled or past due at the time of extra points fulfillment. If booking is canceled, the extra points will be deducted from your Membership Rewards account. Extra points will be credited to your Membership Rewards account approximately 6-10 weeks after eligible airfare purchases appear on your billing statement. See membershiprewards.com/terms for Membership Rewards program terms and conditions. This 35% Airline Bonus is the maximum Membership Rewards points you can get back for Pay with Points on flights booked through American Express Travel. Bonus ID: A6ZB.

To learn about the benefits associated with Additional Card(s) you choose, please call the number on the back of your Card.

Merchants are assigned codes based on what they primarily sell. We group certain merchant codes into categories that are eligible for additional points. A purchase with a merchant will not earn additional points if the merchant's code is not included in an additional points category. You may not receive additional points if we receive inaccurate information or are otherwise unable to identify your purchase as eligible for an additional points category. For example, you may not receive additional points when: a merchant uses a third-party to sell their products or services; or a merchant uses a third-party to process or submit your transaction to us (e.g., using mobile or wireless card readers); or you choose to make a purchase using a third-party payment account or make a purchase using a mobile or digital wallet.

Please visit americanexpress.com/rewards-info for more information about rewards.

Eligible purchases must be charged to the enrolled Card Account for the benefit to apply. Purchases by both the enrolled Basic Card Member and Employee Card Members on the enrolled Card Account are eligible for statement credits. However, each Card Account is only eligible for up to \$150 per calendar year in statement credit. Valid only on purchases of annual prepaid subscriptions for Creative Cloud All Apps or Single Apps for Teams or Acrobat Pro DC with E-Sign or advanced E-Sign for Teams. Adobe Creative Cloud InCopy App is not eligible. Annual prepaid plans automatically renew each year on your annual subscription date until cancelled. Purchases must be made directly with Adobe where Adobe is the merchant of record for the purchase. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Note that American Express may not receive information about your eligible purchase from merchant until all items from your eligible purchase have been provided/shipped by merchant. Statement credit may be reversed if the eligible purchase is returned/cancelled. If American Express does not receive information that identifies your transaction as eligible for the benefit, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party or if the merchant uses a mobile or wireless card reader to process it. Not valid on online purchases shipped outside of the US and purchases from unauthorized resellers or online auctioneers. Please allow 2-4 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Purchases may fall outside of the 6-month benefit period in which the purchase was made in some cases due to a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction (for example, the purchase date for online orders may be the shipping date). In this case your purchase would apply toward the statement credit available in the next 6-month benefit period. Statement credit may be reversed if the eligible purchase is returned/cancelled. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Please allow 2-4 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. Fee Credit for Global Entry or TSA Pre✓®

The benefit is available to (i) Corporate Gold Card Members, (ii) Consumer Platinum Card® Members, Corporate Platinum Card® Members and Business Platinum Card® Members, and (iii) Centurion® Card Members. The benefit is also available to Additional Card Members on eligible Consumer and Business Platinum and Centurion Card accounts. To receive the statement credit, Additional Card Members must charge the application fee to the eligible Additional Card account. Card Members and Additional Card Members on eligible accounts will receive the statement credit for a 5-year program option, all other term options are not eligible to receive the statement credit. Card Members are eligible to receive a statement credit every 4.5 years for the application fee for TSA Pre✓® and every 4 years for Global Entry when charged to an eligible Card. Card Members will receive a statement credit for the first program (either Global Entry or TSA Pre✓®) to which they apply and pay for with their eligible Card regardless of whether they are approved for Global Entry or TSA Pre✓®. However, Card Members can receive no more than one credit for up to \$85 for TSA Pre✓® or \$100 credit for Global Entry (but not both programs), depending upon the program the Card Member first applies for, for an application fee charged to an eligible Card. American Express has no control over the application and/or approval process for Global Entry or TSA Pre✓®, and does not have access to any information provided to the government by the Card Member or by the government to the Card Member. American Express has no liability regarding the Global Entry or TSA Pre✓® Programs. U.S. Customs and Border Protection (CBP) (for Global Entry) and U.S. Transportation Security Administration (TSA) (for TSA Pre✓®) charge an application fee to process each respective application regardless of whether the Card Member's application is approved. The Department of Homeland Security may suspend acceptance of applications on any basis at its discretion. American Express will provide a statement credit for the application fee regardless of the decision made by CBP (for Global Entry) or TSA (for TSA Pre✓®) but will not provide a statement credit for subsequent application fees charged to the same eligible Card within 4 years (for Global Entry) or 4.5 years (for TSA Pre✓®), even if the original application is rejected.

Membership for Global Entry or TSA Pre✓® is per person, and a separate application must be completed for each individual.

For additional information on the Global Entry or TSA Pre✓® programs, including information regarding the application and/or approval process and for a list of participating airlines and airports, as well as the full terms and conditions of the programs, please go to www.cbp.gov/travel/trusted-traveler-programs/global-entry for Global Entry and www.tsa.gov for TSA Pre✓®. The Global Entry or TSA Pre✓® programs are subject to change, and American Express has no control over those changes.

The statement credit benefit applies to the Global Entry or TSA Pre✓® programs only. Other program applications including, but not limited to, NEXUS, SENTRI, and Privium are not eligible for the statement credit benefit.

Please allow up to 8 weeks after the qualifying Global Entry or TSA Pre✓® transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. American Express relies on accurate transaction data to identify eligible Global Entry and TSA Pre✓® purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, simply call the number on the back of your Card. Card Members are responsible for payment of all application charges until the statement credit posts to the Card account. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment.

Global Entry Fee Credit Option:

Global Entry is a CBP program that allows expedited clearance for pre-approved, low-risk international travelers upon arrival in the United States. Global Entry membership also includes access to the TSA Pre✓® program with no additional application or fee required. If a Card Member applies separately for TSA Pre✓® with the same eligible Card, the TSA Pre✓® application fee is not eligible for a statement credit.

To receive the \$100 Global Entry statement credit, Card Members must pay for the \$100 Global Entry application fee with an eligible Card. Additional Cards on eligible Consumer and Business accounts are also eligible for the \$100 statement credit. To receive the statement credit, the Global Entry application fee must be charged on the eligible Additional Card. Global Entry members can opt-in to TSA Pre✓® by entering their Global Entry membership number (PASS ID) in the "Known Traveler Number" field each time a flight reservation is made on a participating airline. Alternatively, Card Members can add their Global Entry PASS ID to their frequent flyer profile(s) with the participating airline(s) and then ensure that their frequent flyer number is entered for each flight booking. If approved, membership into the Global Entry program is valid for 5 years and subject to the program's terms and conditions. You must re-apply for the Global Entry program every five years for continuous benefits.

TSA Pre✓® Fee Credit Option:

TSA Pre✓® is an intelligence-driven risk based program managed by TSA that allows low-risk travelers to experience faster, more efficient screening at participating U.S. airport checkpoints for domestic and international travel. The TSA Pre✓® application program is a DHS Trusted Traveler program. TSA began accepting TSA Pre✓® applications on Wednesday, Dec. 4, 2013. Enrolling in TSA Pre✓® does not guarantee selection for expedited screening each time a passenger travels.

To receive the TSA Pre✓® statement credit of up to \$85, a Card Member must pay for the TSA Pre✓® application fee through any Authorized Enrollment Provider with their eligible Card. Additional Cards on eligible Consumer and Business Card accounts are also eligible for the statement credit of up to \$85. To receive the statement credit, the TSA Pre✓® application fee must be charged on the eligible Additional Card. If approved, Membership into the TSA Pre✓® program is valid for the duration of the plan that the Card Member selected and subject to the program's terms and conditions. Card Members will not receive a statement credit for a plan duration that is less than five years.

Get 1.5X Points

You get 1.5X Membership Rewards[®] points per dollar (that's an extra half point per dollar) for eligible purchases on your Card made at U.S. construction material and hardware suppliers, at U.S. electronic goods retailers and software & cloud system providers, and at U.S. shipping providers as well as on each eligible purchase of \$5,000 or more everywhere else. If you have a single eligible purchase of \$5,000 or more within a category above, you will get a total of 1.5X points per dollar. For example, for a single eligible purchase of \$10,000 in a category, you will get an extra 5,000 points. Earn 1.5X on up to \$2 million of eligible purchases per calendar year per account. These extra points are in addition to any points you already get from using the Card. For additional information please visit <https://www.americanexpress.com/us/rewards-info/business.html>.

You will not get the extra points associated with this benefit if American Express does not receive information that identifies your transaction as eligible for the benefit. For example, a purchase transaction of \$5,000 or more will not qualify if the merchant divides the purchase into transactions of less than \$5,000 before providing the information to American Express. Airlines, hotels, retailers, aggregators, and online marketplaces are a few examples of merchants that may divide purchases into smaller transactions. Transactions may be divided by date of availability, shipping date, ticket, or reservation, among other things.

Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, cash advances, purchases of travelers checks, purchases or reloading of prepaid cards, purchases of gift cards, person-to-person payments, or purchases of other cash equivalents. You will typically receive the extra Membership Rewards points eight to twelve weeks after the billing period in which you make the eligible purchase.

Merchants are assigned codes based on what they primarily sell. A purchase will not earn additional points if the merchant's code is not eligible. Purchases made through a third-party payment account or on an online marketplace (with multiple retailers) will not earn additional points. A

purchase may not earn additional points if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet.

Global Dining Access by Resy

GDA may not be available for Cards issued from some countries. GDA provides eligible Card Members with (a) access to exclusive reservations, (b) Priority Notify, which allows GDA members to set notifications to be in the first group notified when tables become available before they are made available to other Resy users, and (c) access to exclusive events. GDA reservations are accessible through the Resy App and Website ("Resy Sites") and Concierge. Some features of GDA, like Priority Notify, may not be available through Concierge. To access this benefit through the Resy App, you must download the Resy App; or if you already have the Resy app, ensure the latest update is downloaded. When using the Resy Sites, create a Resy account or log into your existing Resy account and add your eligible Card to your Resy account. If you are assigned a new Card number, you must update the Card number in your Resy account. When you use GDA, a badge will be placed on your Resy profile, letting restaurants know that you are a member of the GDA program. Reservations are based on a first-come, first-served basis. In the event of a reservation cancellation, you will be subject to the restaurant's cancellation policy. Generally, same-day reservations that are not booked by GDA members are released back to restaurants at certain times of day that vary across restaurant policies. American Express and Resy make no representations or warranties regarding the availability of reservations, events, and/or experiences, which shall at all times be subject to availability and the discretion of the applicable restaurant. American Express and Resy are not responsible for informing the restaurants of any dietary restrictions or for a restaurant being able to accommodate such restrictions. There is no cost to you for booking services through GDA, although you are responsible for any purchases or fees you authorize to be charged to your Card account. GDA reservations and events are intended for personal use only and cannot be resold or used for commercial purposes. By participating in the GDA program, you are accepting these GDA terms and conditions, which are in addition to and do not replace the Resy Sites' Terms of Service. To be eligible for this benefit, your Card account must not be cancelled.

Membership Rewards® Program - Transfer Points

Enrollment in a participating Frequent Flyer or Frequent Guest program is required. Airline tickets and guest rooms are subject to availability. For each conversion of points into the Frequent Flyer program of a U.S. airline, a fee of \$0.0006 per point, with a maximum fee of \$99, will be

charged to your Card account. We charge this fee to offset the federal excise tax we must pay on such conversions. The fee may be more or less than the actual amount of the excise tax we pay on any individual conversion. We may offer you the option to redeem points to cover this fee.

No Foreign Transaction Fees

American Express will not charge any foreign transaction fee on the purchases you make outside of the United States with your Card. However, there may be circumstances where ATMs or merchants charge a fee on foreign transactions.

No Preset Spending Limit

No Preset Spending Limit means your spending limit is flexible. Unlike a traditional card with a set limit, the amount you can spend adapts based on factors such as your purchase, payment, and credit history.

Pay Over Time Option

Eligible Charges: A charge made by you or any additional Card Member on your account is eligible to be paid over time if it is equal to or more than \$100 and is approved by us. Charges under \$100 will be due in full each month. The following types of charges are ineligible for the Pay Over Time option: Cash and Express Cash, American Express® Travelers Cheques and other cash equivalents, certain insurance premiums, casinos and other gambling transactions, any fees owed to American Express except foreign transaction fees, and other transactions designated by us.

Pay Over Time Settings: The Pay Over Time option on your account is initially set to On. There are two settings, On and Off. When set to On, eligible charges will be placed in your Pay Over Time balance. When set to Off, no new charges will be included in your Pay Over Time balance. You can change this setting by visiting your online account or calling the number on the back of your Card.

Interest on your Pay Over Time balance: For transactions added to your Pay Over Time balance, we will charge interest beginning on the date of each transaction. We will not charge interest on charges added to your Pay Over Time balance if you pay your account Total New Balance by the due date each month. You must pay at least the Minimum Payment Due by the Payment Due Date each month to keep your account in good standing. The Minimum Payment Due includes all Pay in Full charges, any interest accrued on your account and a portion of your Pay Over Time balance.

Pay Over Time Limit: We assign a Pay Over Time Limit to your account. Your Pay Over Time Limit is the amount you may carry as a balance. We will not place any charge into a Pay Over Time balance if it causes your Pay Over Time balance to go over your Pay Over Time Limit. Any charges that would cause the total balance to exceed your Pay Over Time Limit will be due in full. We may increase or decrease the amount of your Pay Over Time Limit and will tell you if we change that amount. Your Pay Over Limit may be different than the total amount you are allowed to

spend on your Card.

No Pre-Set Spending Limit: No Preset Spending Limit means your spending limit is flexible. Unlike a traditional Card with a set limit, the amount you can spend adjusts based on factors such as your purchase, payment, and credit history.

Initiation flight credits will be available one-time only, in the first year of Membership, and fund program flight credits will be available annually in subsequent years of Membership. Flight credits are not refundable or exchangeable for cash or statement credits. Initiation flight credits must be used within 12 months of enrollment in a Membership and will be automatically applied to the first flight purchased by a Card Member with a Membership within that time period. Applicable fund program flight credits will be automatically added to the Card Member's Wheels Up account and must be used within 12 months of the date the credit is added to the Card Member's Wheels Up account and will be automatically applied to the first flight purchased by a Card Member following the purchase of the fund program within that time period. If an eligible Card Member's Qualifying Card is cancelled after purchasing a Wheels Up Membership, the Card Member's Wheels Up Membership will not be cancelled and will continue for remainder of the Membership term. Wheels Up will allow Card Members to use any remaining, unexpired initiation flight credits or fund program flight credits for the remainder of their current Membership term.

Marketplace Access: Transaction Fee Waiver

Card Members with a Qualifying Card and Marketplace Access are eligible for initiation-related portions of the Program if they purchase a Wheels Up Membership. If the eligible Card Member would like to upgrade or downgrade their Membership level and apply the Program benefits to their new Membership level, they will be prompted to call Wheels Up customer service to do so. The amount due in Initiation Fees at the upgraded or downgraded Membership level will be subject to Wheels Up's membership agreement and terms and conditions.

General Terms

Available discounts and credits may not be combined with other offers of the same type (e.g., initiation discounts cannot be combined with other initiation discounts) and are non-transferable. All participation in the Program is subject to Wheels Up's membership agreement and other terms and conditions applicable to your use of Wheels Up services including without limitation blackout dates, minimum booking times and flight time requirements. Effective February 1, 2023, Platinum Card Members, Business Platinum Card Members and Additional Platinum Card Members on the account will be charged a \$50 fee for each guest (or \$30 for children aged 2 through 17, with proof of age). Eligible purchases to meet the purchase requirement are for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, cash advances, purchases of travelers checks, purchases or reloading of prepaid cards, purchases of gift cards, person-to-person payments, or other cash equivalents. Upgrade with Points Terms and Conditions

When you use Upgrade with Points to request an airline ticket upgrade, three things will happen: (i) If the airline upgrades your ticket(s), your Card Account will be charged for the upgrade; (ii) American Express will deduct the Membership Rewards points you offered for the upgrade from your program account; and (iii) American Express will apply an accompanying credit to your Card Account for those points. If the airline upgrades your ticket(s) and the number of points available in your Membership Rewards program account is less than the number of points you originally offered, American Express will deduct only the number of points available and you will receive an accompanying credit only for that number of points. The credit to your Card Account may appear during a different billing cycle than the charge for upgrade. You are still responsible for paying the amount due on your Card statement by the due date. Any applicable taxes and fees in connection with an airline ticket upgrade will be charged to your Card Account and cannot be covered with points. The value of the points you offer is determined at the time your upgrade offer is accepted by the airline and may change after your upgrade offer has been submitted if you subsequently upgrade or downgrade your Card Account. Once accepted by the airline, your upgrade offer is nonrefundable, non-changeable, and points cannot be returned to your Membership Rewards program account.

Each airline determines whether to accept upgrade offers and which upgrade offers it will accept based on factors it determines in its discretion, including the amount of an offer. While it is possible for airlines to accept an upgrade offer at any time after offer submission, most upgrades are processed between 5 and 1 days before departure, and some are processed as close as 1 hour before departure. If your flight reservation includes tickets for more than one passenger, the tickets for all passengers on the reservation will be upgraded if your upgrade offer is accepted by the airline. If you would like to upgrade only certain passengers, you must contact the airline to split your reservation prior to requesting an upgrade.

If your Card offers additional points for flights purchased directly from an airline, you will not receive additional points for your upgrade purchase.

Participating airlines' Terms & Conditions apply. Participating airlines are subject to change at any time without notice. Participating airline products and services are subject to change. American Express reserves the right to cancel any upgrade offers or discontinue the Upgrade with Points program at any time.

If you use a Pay Over Time feature for a purchase using Upgrade with Points, the statement credit you receive may not be applied to that feature. Instead, it might be applied to your Pay in Full balance. If you think this has happened, please call us using the number on the back of your Card.

Using Points for Charges

You can use points to cover eligible charges on your Card Account only if you're the Basic Card or Basic Business Card Member. You also may be able to use points for this purpose if you're the Account Manager or Rewards Manager for a Card Account. Corporate Card Members are not eligible.

The list of eligible charges can change from time to time without notice. We do not have to make any charges eligible for you to cover with points.

Generally, an eligible charge is one that:

- Occurs in the U.S. or in a U.S. territory
- Appears in your recent activity online or in your current statement
- Has never been disputed
- Is at least \$1

You may use points only toward the entire amount of an eligible charge.

We'll deduct the points from your Rewards Account right away and we'll credit your Card Account within 48 hours.

If we process the credit after your Card Account's closing date, it will not appear until your next statement. In this case, you must still pay the amount due on your current Card statement by the due date.

Offer Terms

If a limited time offer appears, it is valid for solicited U.S. Membership Rewards® program enrollees only. Offer is not transferable and may not be combined with other offers. American Express in its sole discretion reserves the right to alter and or terminate this offer at any time. If you return to redeem points later, this offer may no longer be available. To be eligible to receive this offer, all Card accounts linked to an enrollee's Membership Rewards program account must not be canceled, past due or have a returned payment outstanding at the time of point redemption. Individual terms, conditions and restrictions apply to the respective Membership Rewards offers.

Vendor Pay

Vendor Pay by Bill.com is available on American Express Business and Corporate Cards. Card Members must sign up for Vendor Pay and enroll the Card for payments by going to www.americanexpress.com/vendorpay. Not all suppliers may accept American Express virtual payments. The Basic plan has no monthly fee for the first user and no fee for a second user for six months from when the first user signs up. After six months, the second user will have a fee of \$15 per month. The Advanced version has a monthly fee of \$59 or \$99 per user depending on select accounting systems. The monthly fees are set by Bill.com and subject to change at Bill.com's discretion. Fees are in addition to American Express Card fees. There are additional per transaction fees for check and ACH services.

Wireless Credit

Only the Basic Card Member or Authorized Account Manager(s) on a Business Platinum Card® Account can enroll the Card Account in the benefit. Eligible purchases must be charged to the enrolled Card Account for the benefit to apply. Purchases by both the enrolled Basic Card Member and Employee Card Members on the enrolled Card Account are eligible for statement credits. However, each Card Account is only eligible for up to \$10 in statement credits per month. Valid only on purchases for monthly wireless telephone service charges made directly from a wireless telephone service provider in the United States and U.S. Territories. Purchases for hardware and equipment are NOT included. Any purchases from third parties, authorized retailers or resellers are excluded. Bundled services offered by Wireless companies for TV, Internet and VoIP and VoIP (Voice Over Internet Protocol) services are excluded. Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, purchases of travelers checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. Additional terms and restrictions apply. Merchants are assigned codes based on what they primarily sell. A purchase will not earn statement credits if the merchant's code is not eligible. If American Express does not receive information that identifies your transaction as eligible for the statement credit, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. Purchases made through a third-party payment account or on an online marketplace (with multiple retailers) will not earn statement credit. A purchase may not earn statement credit if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet. Please allow 2-4 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Note that American Express may not receive information about your eligible purchase from merchant until all items from your eligible purchase have been provided/shipped by merchant. Statement credits may be reversed if the eligible purchase is returned/canceled. To be eligible for this statement credit, Card Account(s) must be not canceled and not past due at the time of statement credits fulfillment. For additional information, call the number on the back of your Card.
