

Journey 2: Already Pro

You already have a Lowe's
Pro (business) account.

1

Locate your LFP ID

Once logged in, navigate to your account profile. Your Lowe's for Pros (LFP) ID is displayed in your account settings. Copy or note this number — you will need it in the next step.

Click **My Account/My Organization/Organization Settings/Organization Information**

Now you have your **Pro Account ID!**

2

Submit your information to NAHB

Complete the NAHB enrollment form with your name, NAHB membership number and LFP ID. NAHB will link your account to the GPO program within three (3) to five (5) business days.

Final Step for All Members

Add a credit card to your Lowe's wallet

Once your account is enrolled, save a credit card to your Lowe's virtual wallet to activate your full everyday savings. This step is required to unlock the maximum discount on all in-store and online purchases.

Tip: Adding a credit card to your wallet ensures you receive the highest available everyday discount on every purchase — in store and online.
