

Journey 1: No Lowe's Account

Only follow these steps if
you **do not currently have**
a Lowe's account.

1

Create a Lowe's Pro Account

Go to Lowes.com and select “Sign In” (person icon on mobile, “Sign In” on desktop). Choose “Create account,” enter your email and select Business Account. When prompted for account type, select “Join an existing account (group purchasing program).”

Sign In or Create Account

Enter your **email or phone number** to get started. We'll check if you have an account.

3

Submit your information to NAHB

Complete the NAHB enrollment form with your name, NAHB membership number and LFP ID. NAHB will link your account to the GPO program within three (3) to five (5) business days.

Final Step for All Members

Add a credit card to your Lowe's wallet

Once your account is enrolled, save a credit card to your Lowe's virtual wallet to activate your full everyday savings. This step is required to unlock the maximum discount on all in-store and online purchases.

Tip: Adding a credit card to your wallet ensures you receive the highest available everyday discount on every purchase — in store and online.
