

# Student Chapter Membership

## Your Future's Framework. Your Professional Network.

NAHB's Student Chapter program offers students first-hand exposure to the real world of the building industry through membership, educational programming and networking opportunities

### What is a NAHB Student Chapter?

- A student organized club at a high school, vocational technical school, or a Boys & Girls Club

### Why Start or Join a Student Chapter?

- Get a head start on building your professional network
- Learn about the construction industry through the lens of real builders
- Gain professional development

### How to Start a Student Chapter

- Recruit students who are studying or interested in the building trades
- Ask an instructor to serve as an Advisor for your club
- Make a connection with your local Home Builders Association (HBA)

### Next Steps

- Find your local HBA
- Reach out to Student Chapters for an introduction

### NAHB Dues for Secondary Programs

- \$200/school allows unlimited student members to join your chapter and membership may be purchased on [storefront.nahb.org](https://storefront.nahb.org).

### Student Member Highlights

- **Career Networking** – Build relationships with industry professionals through your local Home Builders Association (HBA). Access a national network to seek career advice and learn industry insider tips through our member-only community, NAHB Connect.
- **Careers in Construction Month** – Celebrate Careers in Construction with Student Chapters across the country in October. Flex your construction projects and club activities on TikTok, IG, and Facebook. Learn more at [nahb.org/careersmonth](https://nahb.org/careersmonth)
- **Career Development Resources** – From learning common interview questions to building a professional network, NAHB has helpful guides for student members and young professionals developing careers in trades.
- **International Builders' Show** – Student members save big on IBS registration and every Student Chapter is eligible for travel scholarships.
- **Discover the value of membership** [nahb.org/value](https://nahb.org/value)
