

Student Chapter Membership

NAHB Dues for Post-Secondary Programs

Early Bird Rate: \$400 allows unlimited student members when you register or renew your chapter between Aug. 15 - Oct. 15*. Or pay \$25 per student.

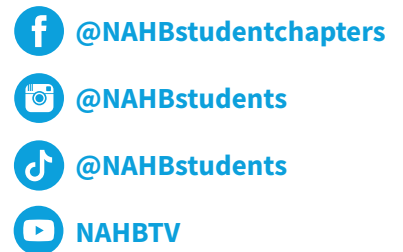

Student Member Highlights:

- **Student Competition** – Using real projects, students compete with other schools as they display their problem-solving abilities and learn more about homebuilding from concept to closing. This experience is second-to-none in terms of educational opportunities available to those interested in land development or custom home building.

- **Career Networking** – Build a relationship with local industry professionals year-round through your local Home Builders Association (HBA). Access a national network through NAHB Connect. Network with students and construction companies across the country at the annual International Builders' Show (IBS) and NAHB exclusive programming.
- **Knowledge and Expertise** – Stay up-to-date with the latest industry news, and receive a digital copy of Pro Builder magazine and monthly student chapter e-newsletters with trending information.
- **International Builders' Show** - Student members save a ton on IBS registration and every Student Chapter is eligible for travel scholarships. At IBS, tour the New American Home, and walk the show floor and visit hundreds of company booths showing off their latest innovations.
