

Celebrate NAHB Young Professionals Week

October 21-25, 2024

YP week is all about connecting and engaging our network of Young Professionals in the building industry. This year we're recognizing how Young Professionals are moving NAHB's Strategic Plan forward. It takes all of us to make an impact and grow into the Association we want to be!

Each day we'll ask a question on our Facebook, LinkedIn, and Instagram. Respond in the comments with your own stories and triumphs. Don't forget to use #YPWEEK.
