

Code of Ethics

As a Certified Green Professional in good standing, I believe in, and accept, the responsibilities and obligations inherent in providing quality green building services. Basic to these ethical beliefs, I agree to abide by and support the following objectives:

I Pledge:

- TO WORK to reduce the environmental impact of my projects by incorporating appropriate green practices into my work in the housing industry.
 - TO CONDUCT my business affairs with professionalism and skill.
 - TO PROVIDE a good building value.
 - TO PROTECT the consumer through the use of quality materials and building practices backed by integrity and service.
 - TO MEET my financial obligations in a responsible manner.
 - TO COMPLY with the spirit and letter of my business contracts, and manage all of my employees, with fairness and honor.
 - TO KEEP informed regarding public policies and other essential information, which affect my business interests and those of the building industry as a whole.
 - TO COMPLY with the rules and regulations prescribed by law and government agencies.
 - TO PROVIDE timely response to items covered under warranty.
 - TO SEEK to resolve controversies which I may become involved in through a non-litigation dispute resolution mechanism.
 - TO NOT ATTEMPT to injure, with malicious intent, either directly or indirectly, the professional reputation, prospects, practice, or employment of another builder.
 - TO SUPPORT and abide by the decisions of the association in promoting and enforcing this Code of Ethics.
- I COMMIT to promoting green building practices and encouraging the research and use of new technologies and practices.

As a Certified Green Professional, I assume the full responsibilities of this Code of Ethics freely, and am solemnly mindful that these responsibilities are a part of my obligation as a Certified Green Professional. I pledge my support to these Code of Ethics.
