

Introducing

*the Student Chapter
Alumni Membership*

This new membership category allows student members to remain members at a reduced rate for 3 years after graduation.

This category was created to:

- Encourage student chapter members to transition to full and active members with an affordable membership category
- Attract and retain young members
- Address the shortage of well-trained, qualified industry employees

*Like Affiliate Members, the NAHB dues are \$15 per year. Local and state associations can add their own Alumni member dues to that amount.**

Opt-in to the alumni dues category at nahb.org/students.

Questions? Contact Greg Zick at 800-368-5242 x8493 or gzick@nahb.org or Mary Byrnes at 800-368-5242 x8941 or mbyrnes@nahb.org.

*No local or state association is required to establish this membership category. If the alumnus resides where no local or state has adopted the alumni category, the alumnus can join NAHB as an at-large member.
