### Presentation: State Resiliency Incentive Programs

8:50 – 9:35 AM

Brian Powell, National Association of Insurance Commissioners

Insurance is regulated at the state level. Members of the NAIC are state insurance regulators. NAIC provides expertise, data, and analysis for insurance commissioners to effectively regulate the insurance industry and protect consumers. NAIC has several initiatives underway that are of interest to home builders.

## Discussion: Insurance-related Resource Needs

9:35 – 9:50 AM

### John Barrows

Several representatives of the insurance industry have offered to provide tailored resources to help builders and their customers better understand policies, pricing, and the market. This discussion is intended to identify and prioritize builders' needs and will serve as the basis for NAHB's response.

## Looking Ahead/Open Forum

9:50 – 10:00 AM

## Adjournment

## NAHB Antitrust Statement

The National Association of Home Builders of the United States requires all members to fully comply with federal and state antitrust laws. By participating in this meeting, you agree to avoid any discussion or agreement with other members regarding competition, including pricing matters, or discussing any commercially sensitive or confidential information. If you have concerns about the appropriateness of a topic, please consult with NAHB staff separately before bringing it up for group discussion. For more details, refer to the full NAHB Antitrust Statement and Best Practices on NAHB.org, and review them regularly.

## Take the Industry Pulse Check

The **Industry Pulse Check** is the first step in NAHB's **Blueprint to 100** initiative to gain the insights we need to build an association that meets your needs. If you haven't already, please take the Industry Pulse Check at [blueprint.nahb.org](http://blueprint.nahb.org) by June 15 to help shape the future of NAHB and the residential construction industry.
