Mission

NAHB strives to protect the American Dream of housing opportunities for all, while working to achieve professional success for its members who build communities, create jobs and strengthen our economy.

NAHB Antitrust Statement

The National Association of Home Builders of the United States requires all members to fully comply with federal and state antitrust laws. By participating in this meeting, you agree to avoid any discussion or agreement with other members regarding competition, including pricing matters, or discussing any commercially sensitive or confidential information. If you have concerns about the appropriateness of a topic, please consult with NAHB staff separately before bringing it up for group discussion. For more details, refer to the full NAHB Antitrust Statement and Best Practices on NAHB.org, and review them regularly.

Take the Industry Pulse Check

The **Industry Pulse Check** is the first step in NAHB's **Blueprint to 100** initiative to gain the insights we need to build an association that meets your needs. If you haven't already, please take the Industry Pulse Check at blueprint.nahb.org by June 15 to help shape the future of NAHB and the residential construction industry.
